H & M, Hennes and Mauritz Inc., one of the world's largest fashion retailers famous for offering fashion and quality at the best price in a sustainable way, is happy to announce a new and larger location at Crocker Park in Westlake, Ohio. Increasing in size by approximately 6,000 square feet, the new H&M is set to join the 15 popular H&M destinations in the state on November 10th, 2018 at noon.

The new H&M location will offer Westlake residents a one-stop shopping destination for quality clothing, with collections for ladies and men, with a separate "shop in shop" section for accessories. This location will also carry the H&M Kids collection for newborns to 14 year olds. No matter your personal style H&M makes it easy to always find what you are looking for by offering something for everyone.

To celebrate the new store, customers at the H&M at Crocker Park who make a purchase will receive 25% off their purchase on grand opening day only. Customers who participate in garment collecting on opening day can also enter to win a gift card from \$50 to \$250 dollars.

H&M looks at retail as a career and not just a job. We pride ourselves on our support of local economies by adding jobs with each new location. With the opening of the new Crocker Park location, H&M is proud to employ approximately 20 employees for this store.
